LR 210, 216
LB 583

time I think we have somewhere close to \$325 that we have raised through the body, through those senators who were willing to contribute. So I appreciate that and I am sure that the money will be spent well for helping for research in Heidi's circumstance.

PRESIDENT: Senator Martin Kahle.

SENATOR KAHLE: Mr. President and members, I think most of you know by now that this Kahle family as near as we know at least in the American side of the Atlantic is not related to us. There is a Kahle family that originated in the Milford-Crete area and some of them migrated to the Oxford area, and we have known the family, or parts of the family, for years and the only thing that I want to say is that there are a number of families across the United States who spell their name Kahle, but very few of them call it Kahle. Fortunately, both the families that....Heidi's family and our family pronounce it the same, which would be a rough deal if we didn't. In most parts of the country it is called Kahlee (phonetic) or Kaahle (phonetic) in German. But I did help support Rod Johnson in his efforts to provide some funding for Heidi Kahle and I just wanted to make that clarification. As near as I know, they are a fine family and we are very proud of our family. So as far as the Kahles go in Nebraska, we would all appreciate your support.

PRESIDENT: Thank you. Is there further discussion on the resolution? If not, the motion is to adopt LR 210 as explained by Senator Wesely and the others. All those in favor vote aye, opposed vote no. Have you all voted on the resolution, resolution 210 of Senator Wesely? Have you all voted on the resolution? The Clerk will record the vote.

CLERK: 30 ayes, 0 nays on adoption of the resolution, Mr. President.

PRESIDENT: The resolution is adopted. Do you have matters to read for the record, Mr. Clerk?

CLERK: Mr. President, I have a new resolution, 216, by Senators DeCamp, Pirsch, Beutler, Schmit, Chronister, Wesely, Lamb. It will be referred to the Executive Board. It calls for a study of the problems posed by bid-rigging.
